Verse 1

I D - A | F#m - E | D - A | E | 2x

Why should a King, step down from His throne?

Leave all His riches behind

What kind of God becomes like a man?

Setting His status aside

Pre-Chorus 1

I A | D | F#m | E | 2x

Only a king, who's worthy enough

gives up his crown for a cross

only a God abundant in love

is able to pay what love costs

Chorus:

I D - A | F#m - E | D - A | E | 2x

Jesus

You're the name above all names

Exalted over all

Thank You

You gave everything for us

Great is your name, great is your name

Intro 1x

Verse 2

God in His love, He humbled Himself

Humbled Himself for the lost

Servant but King, human but God

Chose to become one of us

This is our King, yes this is our King!
trading his crown for a cross

Chorus

I D - A | E |

We put ourselves aside

And let our praises rise

Great is your name
