| Bm | Bm | F#m | A | 2x

One day I know I'll be with You, and hope to hear 'Well done'
Your eyes will sparkle like the stars, brighter than the sun
Until that day I'll follow You whatever my way comes
And when I stumble on the way, Your grace will lead me home

Prechorus1

Now You say: hold on
Run the race, be strong
Just a little while
Walk a few more miles...

Verse2

The misery in this world of ours, I cannot understand
My heart is yearning for the day that I can take your hand
Meanwhile I will bear my cross and hope to wear the crown
That waits for me at heaven's gate, in your open arms

Prechorus2

Now You say: have faith
And dont be afraid
Just a little while
'till you see Me smile

Chorus

Lord I long to be
With you there
in that place
One day we will meet
You and me
Face to face

No more darkness, no more night
No more sorrow and, no more pain
